

## Blackland Prairie Raptor Center

### Help the Raptors every time you grocery shop!

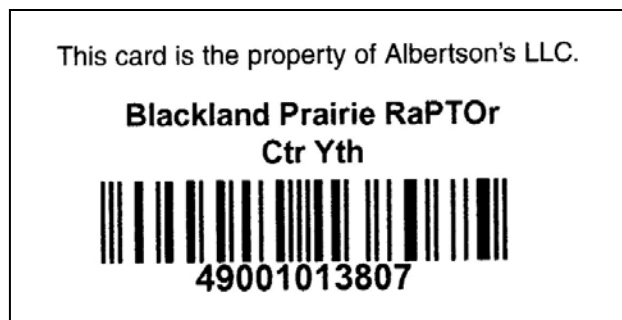

We have partnered with Albertsons and Kroger grocery stores to help make donations for our outreach education programming easier than ever. Both companies will donate 1% of your total purchases to **Blackland Prairie Raptor Center**. It only takes a few minutes to complete the process but your help will go on well into the future.

### Albertsons “Community Partners”

Albertsons Community Partners program uses a key tag with a unique barcode that you scan every time you shop. There are two ways to get a key tag:

**1) Print the card below:**

You can print out a copy of the card below to keep with you.

**2) Email us for an actual key tag:**

If you prefer, please email us at [info@bpraptorcenter.org](mailto:info@bpraptorcenter.org) with your name and address and we will get a key tag in the mail right away.

**Don't forget to have the checker scan your card every time!!**

### Kroger “Share Card”

The ‘Share Card is a separate card that must be scanned every time you check out. You can print out a copy of the card and put it in your purse or wallet to use, or email us at [info@bpraptorcenter.org](mailto:info@bpraptorcenter.org) and we will mail you a card for your use.

Each time you shop at Kroger, **present the card to the checker before they begin to ring up your order**. Ask the checker to “scan” your card.
